

Secretary's report for AGM 29 October 2011

Correspondence received from Gundagai Library and Yarra Plenty Library with regard to indexing for Ryerson.

Emails regarding errors on our site for amendment.

Applications to index.

Associate Professor Juleen Cavanaugh, Medical Genetics Research Unit ACT requesting a location search facility on our site.

Training

Maxine Honczar - training coordinator: 36 enquiries to index: 18 completed the training: 13 applicants did not attempt the training, 3 submitted first attempt but required further training and did not continue; 1 decided to scan and not index; 2 unable to use the program.

Reports from team leaders –

Alan Nancarrow - back indexing: steady progress, material still flowing in.

Annet Latham – Daily Telegraph back indexing now commencing 1985.

Fran Myles – Hervey Bay Family History Association – 7 indexers working on Queensland local papers.

Liz Pidgeon, Librarian – Yarra Plenty Regional Library giving a full report on her team and libraries in her region.
